

# Curriculum Vitae — Muhammad Naveed Ishaque (Eks2)

## ■ Contact Information

Name: Muhammad Naveed Ishaque  
Origin: Pakistani | ■■ Spanish National  
Current Base: Barcelona, Spain  
Relocating to: Denmark (Open to hybrid/remote roles)  
Email: mnvid@hotmail.com  
Website: [www.aapkaustaad.com](http://www.aapkaustaad.com)  
GitHub Portfolio: Siraat AI Academy  
Mobile: Available upon request

## ■ Education

M.Sc. Computer Science (Partially Completed)  
PUCIT — Lahore, Pakistan | 2000–2001  
- Completed first academic year  
- Program paused due to personal reasons

## ■ Current Focus & Skills Overview

- Technical & Narrative Content Writing
- AI-powered Prompt Engineering & Instructional Design
- Markdown-rich GitHub Documentation
- EdTech Curriculum Design (STEM, Language, Certification)
- Multilingual Learning Support (Urdu, English, Spanish, Danish)
- SEO/AEO Strategy Awareness for Content Visibility

## 👉 ■ Writing with Soul & System

My work blends emotional intelligence with technical understanding. I simplify concepts, create immersive learning narratives, and collaborate with AI tools to build content that is not only useful — but healing.

**“I don't just write — I translate knowledge into human connection.”**

## ■■■ Teaching & Learning Support

Freelance Educator (1998–2006)  
Subjects: English, Physics, Chemistry, Biology, History, Sociology, Philosophy, Mathematics

Community Instructor – Spain (2010–Present)  
- Spanish language & driving theory for expats

- City license preparation (Madrid, Valencia, Barcelona)
- Created Moodle-based e-learning systems

## ■ Self-Driven Projects & Research

- Data Science & Analysis
- Azure, AWS, Cloud Foundations
- AI Ethics & Prompt Engineering
- SEO, AEO, Digital Skills for Non-Tech Users
- Multilingual onboarding & exam content
- GitHub documentation, AI-assisted writing, UX content

## ■ Professional Background

Finttel Telecom – Spain (2007–2010)

- Account & data management
- Client support, billing, reporting systems

AapkaUstaad Language & Certification Prep (2010–Present)

- Sole proprietor of online academy for migrant learners
- Designed learning material for driving, immigration, and language certifications
- Worked across South Asian communities in Spain

## ■ Roles I'm Ready For

I may not be a coder or cloud architect,  
But I can help make those complex ideas accessible to humans.

- Content Strategist (AI, EdTech, Cloud)
- Prompt/UX/Documentation Writer
- Curriculum Designer (Remote Learning)
- Community Contributor for Open-Source / GitHub

## ■ GitHub Portfolio Highlights

GitHub Org: Siraat AI Academy

Identity: Eks2 — writing from the unseen voice

Projects include:

- soulcrafted-prompts-by-eks2/
- learn-danish-by-eks2/
- ironwall-az500-labs/
- seo-course-\* modules
- transmedia-garden – Narrative-Driven AI Prompting

## ■ Summary in One Line

**“Not a technician. Not an engineer.**

**Just a man with a pen — who builds bridges between the complex and the kind.”**

🏠 ■ Muhammad Naveed Ishaque
