Summary / Profil

💡 "Not a technician. Not an engineer — just a man with a pen who builds bridges between the complex and the kind."

EN: I am a **content creator** and **educator** with a unique blend of **technical clarity** and **emotional depth**. I simplify complexity, humanize AI, and create content that is both **useful** and **healing**.

DA: Jeg er **indholdsskaber** og **underviser** med en unik kombination af **teknisk klarhed** og **følelsesmæssig dybde**. Jeg forenkler kompleksitet, humaniserer AI og skaber indhold, der både er **nyttigt** og **helende**.

Skills / Kompetencer

👉 Tech Writing | 🖥️ Prompt Engineering | 📚 Curriculum Design (STEM & Language)
🌐 SEO/AEO | 🧠 Simplifying Systems | 📄 GitHub Docs | 🌍 Multilingual Learning Support

- EN: Completed first year; remaining semesters paused for personal reasons.
 - DA: Fuldførte første år; resterende semestre sat på pause af personlige årsager.
-

Content Creation – The Heartbeat / Indholdsskabelse – Hjerteslaget

EN: I write **technical, educational, and human-centered content** with **AI collaboration** (ChatGPT). Every piece aims to **inform, inspire, and connect**.

DA: Jeg skriver **teknisk, pædagogisk og menneskecentreret indhold** i samarbejde med **AI** (ChatGPT). Hvert stykke har til formål at **informere, inspirere og skabe forbindelse**.

GitHub Showcase / GitHub-præsentation

GitHub Org: Siraat AI Academy | **Persona:** Eks2 – *the whisper of my inner voice*

Vision: Build content that is not only **helpful** — but **healing**.

Method / Metode: **Empathy-first**, spiritually rooted, AI-assisted.

"I am nothing out of nothing. But my content will carry meaning — not extra, but extraordinary."

— **Naveed Ishaque**, writing as **Eks2** — *my soulful digital identity*
